Re: SVFT Budget 2010-2011

I am beginning to prepare preliminary figures for the consideration of the Budget Committee as we begin work on the 2010-2011 SVFT Budget.

At this time, I am asking that if the Committee Chairperson believes a budgetary adjustment needs to be made from the total appropriation made for 2009-2010, that a written request be submitted to me at the union office prior to January 20, 2010.

In your request please identify the name of the committee, increase or decrease requested, and an explanation of your request.

Thank you.
