# DECISION 2010:

## Which Candidate Will Best Improve Our Services & Jobs?

The 2010 election for Governor marks a critical turning point for our jobs, services, funding, and families. For the first time in decades there will be no incumbent Governor on the ballot, and SEBAC unions have the opportunity to elect a candidate who shares our values and values our work.

With a crowded and changing field of contenders for Governor, the SEBAC unions have invited **all** of the potential candidates –both Democratic and Republican – to speak to union members and answer our questions so we can begin our process towards making an informed choice about whom to support in this crucial election. [NOTE-Candidates pictured below have agreed to attend]

Juan  
Figueroa (D)

Mary  
Glassman (D)

Ned  
Lamont (D)

Dan  
Malloy (D)

Rudy  
Marconi (D)

Tom
