

The State Employees Bargaining Agent Coalition

**Watch the Gubernatorial Candidates Discuss Jobs and the Economy
with Union Members**

This past Saturday, 400 members from the 13 unions in the State Employees Bargaining Agent Coalition (SEBAC) turned out to meet Connecticut's 2010 gubernatorial candidates. All the major party candidates were invited, and five Democrats and one Republican came to West Hartford to share their vision for Connecticut and to answer questions from public service workers about their plan to create more jobs and brighten the state's economic forecast.

Watch the video online to see how the candidates responded to some of your concerns and learn about their approaches to solving the state's economic crisis.
